

From country initiatives to global advances – mobilizing financing for sustainable development

*Draft Programme
(as of 17 November 2017)*

The high-level meeting will serve as a joint preparatory event for the 2018 ECOSOC Forum on Financing for Development follow-up (FfDF) and the 2018 High-level Political Forum on Sustainable Development (HLPF). It will be the first joint preparatory meeting for both the HLPF and the FfDF. It will aim to achieve the following objectives:

- (i) Identify challenges in advancing financing for the SDGs, as well as country-level policy and institutional innovations in addressing them;*
- (ii) Strengthen coherence and coordination in preparation for the 2018 HLPF and the 2018 FfDF; and facilitate dialogue between their respective national constituencies;*
- (iii) Sensitize national policy makers on the policy developments at the global level (outcomes of the FfDF and HLPF);*
- (iv) Showcase new initiatives and innovations in areas of sustainable development finance.*

11:30 a.m. – 5:00 p.m. Ministerial Round Tables

“Sharing country experiences in mobilizing resources from public, private, domestic and international sources towards the implementation of the Addis Ababa Action Agenda and the 2030 Agenda for Sustainable Development – policy and institutional innovations”

After the opening of the meeting, high-level officials of Governments, representing countries at different income and vulnerability levels, will present their policy and institutional innovations in implementing the Addis Ababa Action Agenda (Addis Agenda) and the means of implementation of the 2030 Agenda for Sustainable Development (2030 Agenda) at four successive round tables. The innovations can be national or sub-national broad-based reforms or specific innovative interventions in specific action areas of the Addis Agenda. The presentations will ideally be in the form of case studies, putting the innovations into local context, explaining their relevance for global policy-making and international support needed to make them successful. Each round table will include country presentations, presentations by lead discussants from international financial institutions and other stakeholders, as well as an interactive dialogue.

Morning session

The means of implementation of the SDGs selected for an in-depth review at the 2018 HLPF

The 2018 HLPF is mandated to conduct an in-depth review of selected SDGs. In addition to SDG17 (means of implementation and the global partnership) which is reviewed annually and with a cross-cutting approach, goals 6 (clean water and sanitation), 7 (affordable and clean energy), 11 (sustainable cities and communities), 12 (responsible consumption and production) and 15 (life on land) will be reviewed. The morning session will feature breakout sessions to discuss progress and challenges related to the financing (including the financing of technological solutions) of these selected SDGs based on background studies, to be prepared in advance of the meeting. Each breakout session will feature brief presentations of the relevant background studies and an interactive dialogue.
